

ANNOUNCING A NEW PROGRAM!

Adopt-a-Pot

Help Our Garden Grow!

BEAUTIFY THE HEALING GARDEN

Adopt-a-Pot

Adopt and manage a self-watering flower pot at our Harvard location. Design, plant and maintain the pot throughout the seasons. Depending on weather conditions, the self-watering pots only need to be filled every two weeks.

We hope to bring color and beauty to our amazing gardens by encouraging groups, families, and friends to visit and help tend the pots. It's a great way to connect with your community!

PROGRAM LEVELS: Large \$650 | Medium \$450 | Hanging \$250
